SWR GDC FOR GIRLS, KALIKIRI, ANNAMAYYA, DIST.

VISION OF THE COLLEGE

We, Social Welfare Residential Government Degree for Girls, Kalikiri, carry forward the idea of equitable development. Our students comprising from the socially weaker and economically backward sections of the society, we envision to create ripples of positive change and awareness through the students in their living environments thus driving new waves of development.

'VidyayaShobate Nari' , meaning 'education adorns women'. With imparted knowledge, ethics and standards, the students of this college shall excel in various walks of life, to build the image of the college and stand out as an inspiration. To enable complete and prepare the students to be self-reliant, economically independent and socially responsible individuals.

Principal's Message

"Greetings of Azadika Amrit Mahotsav"

Dr.L.Anjali Devi

We strive for holistic personality development of our students by creating conducive and pleasant atmosphere in our Residential College. The dedicated faculty motivate the students to bring the best in them through amalgam of classroom learning and other allied activities at department and college level. We also nourish the students to tackle the life challenges of ever changing demands by upgrading knowledge and skills besides inculcation of social values. In fact we provide academic and personal counselling that helps the teachers and students to strengthen the bond and develop a better rapport.

We have resolved to provide safety and supportive environment to bring a perfect balance in academics , sports, artistic and social opportunities. Our motive is to impart value based education and acquiring skills in their lives to reap the opportunities in future.

GOOGLE BIRTH ANNIVERSARY

A Programme on Google Birth Anniversary was observed on 27 September 2025. Many of us say we're googling whenever we do Research on the Internet and its easy to understand why Google is one of the most used Research Engines on the internet world wide. Today its celebrating 26th year in operation but some people are really confused about when the companys birth day actually is.

American computer Scientist Larry Page and sergy Brin actually launched the website a year earlier on 15 September 1997, while they were Ph.D Students at Stanford University in California.
